TRAVEL CAKES

Una tradizione che resiste da secoli riproposta in chiave contemporanea: **Geometric** è lo stampo per realizzare **travel cake classici o decorati in chiave moderna**. L'inserto tubolare, facilmente estraibile dopo la cottura, consente di farcire in modo creativo i dolci, anche con ripieni non da forno.

A tradition that has survived for centuries and has been re-proposed in a modern way: **Geometric** is the mould for making **classic or modernly decorated travel cakes**. The tubular insert, easily removable after baking, allows you to creatively stuff cakes, even with non-baked fillings.
